For us to best help you set up a successful activity, please take a few moments to give us a basic outline of what you will be presenting to the High school students and what activity they will be engaging in (please also note if you would like some assistance in deciding the best way to get your message across to the students) No handouts can be handed out at the activity. All handouts should be given to the committee beforehand to be distributed en mass to all participants via student backpacks. Thank you for volunteering your time and resources to help us make this event successful!
